The Advocate says

7) the appeal is against para 122
of Mr. Cant's order. If as is stated
by the petitioner, the appointment
is hereditary in the family, the Mr.
Cant's order would not be correct.
The records have been received in
connection with para 39 of Mr.
Cant's order. When that question
is disposed of, this case will be noted
upon with reference to the records as

11) As directed by the Assistant Secretary, the records were looked into.

In the Darga at Kesarmaden, the remains of Syed Momin Badsha Khadri are interred. The descendants of the Saint have been, it is stated, managing the affairs of the Darga, and performing the duties and services such as urus, sandal, celebration of mubarak ^{etc.}

12) The Taluk Amildar who visited the village and held personal enquiry, reports that the management of the Darga is vested from the commencement in the Khadri family.

13) The Dy. Commr reports that the grant in the 1st instance was for personal benefit of the Saint - Syed Momin Badsha Khadri - that the Darga was built after his demise; and the village was endowed as inam, and that the descendants of the Valli attended to the support of the Darga etc.

15) Two collections of muz. F. no.

The apts' main contention is
that his family has been managing
the Darga hereditarily for upwards
of 100 years.

b) In his petition of 10-10-1903,
Syed Mahmood Sha Khadri bin
Syed Montaza Bad Sha Khadri (and
notice of the present apts Syed
Peer Saigali Sha Khadri) alleges
that order no 92 of 5-7-1860 passed
by Major Dobbs, the then Dy Commr
of Muzkhar gives the office of the
manager of the Village and Darga
to the family of his father. (I
neither the original nor a copy of
his hukum is available in the
records). In his reply of 8-5-1922,
Syed Mahmood Sha Khadri while
stating that the Darga manage-
ship has been vested in his family,
prays that it may be
enforced upon him.

17) From the ^{original} ~~By~~ Comr's letter no 406 of 3-12-1923, it is seen that both the brothers -- Syed Mahmood Sha Khadri and Syed Peer Sayal Sha Khadri along with 30 others stood for election, but one Syed Mohsin Bad Sha Khadri who secured the largest number of votes, was appointed as manager of the Darga temporarily.

The vernaculars were received from the Muz Cant with reference to para 3 of his order are in the Union file, and the subject matter of that reference has also been fully noted up in that file. (The Muz Cant's office records relating to this appeal are not here).

19) The ~~at~~ old history of the Kesari Darga and its endowment is succinctly stated in the note in file No 135 of 1906 herewith put up & flagged B1. The affairs of the institution have poorly mismanaged and the institution as well as its endowments were taken under Govt management.

in 1906 (7e A1). It was distinctly stated
in that order that there was none competent
in the family who could be appointed manager.
So the appointment vested entirely in the hands
of the Dy. Comr, and the family cannot claim
it as a matter of right. What happened
subsequent to the assumption of manage-
ment by Govt. is summarised in paras
16, 17 & 18 in Mur File No 98-23 (Happ 2)
The appellant is the man removed by
the Dy Comr, and the respondent is
the ~~app~~ man appointed by him, but
the appointment of the latter is not approved
by the Mur Comr (vide copy of the order
produced). There is thus really no
respondent in the case except Govt.

20) The Mur Comr has ordered

(1) the appointment of a Seth of Dhanmadahi
for the ~~Dang~~ management of the Danga
for 37 years, selection being made by
vols.

(2) the appointment of a ^{separate} Patel to
look after the Revenue & Police duties
of this village.

Ans (1) The appellant contends that his family
have been Mathadhipatis, and that they
have been managing the Danga for
more than 100 years, and that it is
a family duty. Govt. took over

The management of the institution became it was mismanaged by the family of the appellant. There was no competent person either who could be appointed manager of the institution. By the order the right of appointment a manager or a sub manager vested with the Govt. It is true that the appellant was appointed Patel & manager by the then Dy Commr & continued till his removal. But that was not in consideration of his family stake and it cannot create a stake. In any case, the appointment has again proved a failure. Govt, having the full right of appointment, the Muz Commr's order directing the appointment of a sub of Dharmadass, has among the votes by votes seems quite correct. This appointment is not the first time that a Committee was appointed to superintend the affairs of the institution (vide letter of the Dy Commr dated 27th Aug 1883). So far back as 1860 Col. Dobbs appointed a Committee of 5 men to look after the affairs & it is stated in the letter that as long as they lived every thing was going on regularly.

As regards the appointment of a separate Patel for the village, it is quite necessary in the present case.

22) But the only point to be considered, which has been omitted in the New Court's order, is as to who should actually perform the work in the Dargah. The Dharmadarsis can supervise the affair. But the right of actual performance of Ceremonies seems to rest in the family only. ~~and cannot be~~ for the purpose the appellant, who has been performing them from 1906 may be given a chance, subject to the supervision by the Dharmadarsis, and on payment of a fixed cash remuneration to be fixed in the Scale of Income & Expenditure.

Serial
No.

23) As regards the Pateli's appointment, it seems to be desirable to have one independent of the body of Dharmadarsis for collection and other work. In this matter also the New Court's order seems to require no interference.

24) The appointment of a person for the actual performance of Ceremonies is the only point on which order seems to be made for in modⁿ of the New Court's order.

11/25/22

BEFORE THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA
OF MYSORE, BANGALORE

uzarai. Appeal No. ' ' of 1924- 1925.

Appellant:-

Syed Peer Gayab Sha Khadri,
Kyasaramadagu Village, Tumkur Taluk.

---Vs---

Respondent:-

Syed Mohiyuddin Badsha Khadri.

UNDER SEC. 21 or 22 OF THE MUZARAI REGULATION.

The appellant above named begs to prefer this petition against the order of the Muzarai Commissioner dated 6-1-1925 for the following among other grounds:-

1. The learned Muzarai Commissioner erred in law in ordering the appointment of Manater - to be made by the system of votes being taken.
2. There is no provision in law for such a course being followed. The Darga in question is a "Matha" and the family of the appellant have been "Mathadhi pathies" and the procedure with regard to "Matha" apply.
3. The family of the appellant has been managing the Durga hereditarily for upwards of 100 years and no grounds are shown to exist - why the appellant and his family should be deprived of their Hak and this procedure should

should be followed.

4. The learned Muzarai Commissioner has erred in law in following the recommendation of the Deputy Commissioner which is illegal and Ultra Vires.

5. The learned Muzarai Commissioner erred in law in ordering the appointment of a separate patel to look after the management of the lands and other duties.

6. The decision of the Muzarai Commissioner is otherwise opposed to law.

Wherefore the appellant prays that the order may be set aside and since the Deputy Commissioner, Tumkur District has issued a notice - calling upon the voters to vote for the manager at Mesaramodugu Village on the 22nd instant, it is respectfully prayed that, since the order appealed against is illegal and Ultra Vires, the election may be stayed pending disposal of this appeal.

and Syed Mohamed, Shankhadri of ---
Kosarnadu village, Tumkur Taluk in the
matter of the appointment of their opposer
Syed Mohadin Badsha Khadri of the same
village as manager (temporary) of the
Darga in the village.

Facts of the case

In this Office No C 648 of 22-23
(Q No 150 of 22-23) dated the 18th
August 1923, the nomination of the re-
sident Syed Mohadin Badsha Kha
as manager of the Darga by the Deputy
Commissioner was approved as a ver-
temporary measure, pending the sub-
mission of proposals with a proper set
of expenditure for the Darga and the
management of the lands on which the

Durga being kept separate. The present
petitioners having come up in appeal to Govt
against the above appointment, Govt -
observed in their order in number appeal
No 5 of 23-24 that this office order was
an ad interim and temporary one made
on the recommendation of the Dy Commissioner
and it was open to the appellants to
apply to the Madras Commissioner for
a reversal of the order after hearing them.
It is in pursuance of this order that the
petitioners now under disposal has been
filed. It is urged in this petition that
the petitioners family are the managers
of the Durga and its endowments for over
100 years, that the Dy Commissioner
confirmed the endowment in 1879 in
the name of Murtukha Bahadur Khadri -
the father of the 1st petitioner, Syed Peer -
Syed Sha Khadri, that this Syed Peer Syed
Shah Khadri is managing the institution
for upwards of 25 years and that the insti-
tution which is an old established one
like a Matha is with its endowments
managed by the ancestors of the petitioners

and the petitioners themselves hereditarily from generation to generation and as such there is no reason to disturb the 194 petitioners from the management till he is declared incompetent after due enquiry. In submitting the records with his No AC 64 of 24-25 dated 10th November 24 the Dy Commr reports that according to the Guam Register it is not only the 194 petitioners father's enjoyment of the Guam villages that has been confirmed but also that of his co-shares among whom Syed Mohamud Bud Shakkadri, the respondent and his descendants are included and therefore the respondent cannot be said to be a foreigner not entitled to manage the affairs of the village. The petitioners and the respondents who were pressed with their respective counsel were heard on 28.12.24

As already ordered in this Office
No C 645 of 22-23 dated: 16th ^{June 23} ~~February~~

the management of the lands will be kept
separate from that of the Darga. For the
latter a Sec. of Dharmadarsis or Nadars
Dokots should be appointed once in
3 years, the selection of them being by votes
taken from among all the devotees
of the Darga and a scale of expenditure
should be drawn up and submitted early
for sanction.

2. As for the management of the lands
arrangements may be made as in Govt.
villages, by appointing a patel who will look
after both Revenue and Police duties in
the village.

3. With regard to the question of
allowing the Makandars to enjoy rent-
free of the Imam lands in their holding,
a reference is being made to Government.

(Tumkur Dist)

Most Respectful Sir,

I, the undersigned
manager of Kaseri Madu most humbly
beg to bring the following few lines to
your kind consideration hoping to come
out successful in the attempt.

In connection with the management
of Kaseri Madu, I beg to state that Syed
peer gairi Shukh Khadri had appealed
against me. The hearing was on 28-4-25.
But the judgement was postponed and
not yet announced.

As the Mohorram festival is approaching
nearer — within a week and was to be conducted
in the month of August it is feared that
again Syed peer gairi Shukh Khadri will
approach the authority with a petition
praying for the suspension of the conduct
of Mohorram and was by me as he had
done in the previous years.

In his order no G.O. 118 of 19-8-24
The Amildar Tumkur District in reference
to the Muzrai Commission orders and
consequent Deputy Commissioner order
no H.C. 64 of 10.8.24 had kindly permitted
the conduct of Mohorram & was last year
taking much challenge from the appellants
not to disturb its conduct.

P.T.O.

Under the circumstances I pray that
you may be kind enough to permit
this year also to conduct the same
peacefully till the Govt. judgement
is finally announced.

For which act of kindness I
shall ever pray for your long life
and prosperity.

2) The question of the mismanagement of the Darga at Kocarnadagu and its endowments has been the subject of frequent complaints to Government and has come up before them a number of times.

3) So far back as 1881, the local cess payable to Government in respect of the Inan village having fallen into arrears on account of dissention among the Hakdars, the village was ordered to be attached by Government. Subsequently, on a reference being made to Government by the Deputy Commissioner of Tumkur in August 1883, reporting the death of four of the five Managers that had been previously appointed for the Darga and recommending the appointment of Syed Abdul Rahim Sha Khadri and Syed Alim Padsha Khadri as joint Managers and the restoration of the village to the shareholders, this ^{proposal} was approved by Government in their order dated 21st August 1884. These two persons soon fell out with each other and one of them having died the other Syed Halim Sha Khadri ^{was} on the recommendation of the Deputy Commissioner appointed as sole Manager ~~of the~~ by Government in Government Order dated 22nd May 1889.

4) In 1893 there was a report from the Deputy Commissioner that this person had not been managing the institution and its endowments satisfactorily, whereupon the Government, in their order dated 22nd July 1893, approved of the Deputy Commissioner's proposal to appoint Khadar Badsha Khadri as Manager, with the direction that he should submit monthly accounts of receipts and disbursements of the Darga to the Amildar who would exercise the same supervision over the institution as he did over other Muzrai institutions in the State. This did not however set the matter at rest, for there was a report again from the Deputy Commissioner in ~~the month of~~ 1906, stating that the Institution and its endowments were being very badly mismanaged and there was no competent person who could be appointed as Manager, and recommending that the management of the institution might be taken over by Government, ~~and~~ this recommendation was approved by Government in their order dated 8th December 1906.

Notwithstanding the clear direction ^{given} in the above order of Government that the Institution with its endowments should be taken under Government management, it ~~would~~ appear from the record, that this order has practically not been given effect to till now and that one or other of the contending parties among the Hakdars had been allowed to continue all along as Manager, with the result that disputes have again arisen among them as well as complaints of mismanagement against them.

In his order under appeal, the Wuzrai Commissioner has, on the report submitted by the Deputy Commissioner with his letter dated 6th/10th November 1924 recommending the appointment of the Respondent Syed Mohiyuddin Sha Khadri as Manager, directed that the management of the lands will be kept separate from that of the Darga, that, for the latter, a set of Dharmadarsis or Hazarine Cukoffs should be appointed once in three years by election from among the devotees of the Darga and that, for the management of the lands, arrangements may be made, as in Government villages, by appointing a Patel who will look after both the Revenue and Police duties in the village. With reference to this order, it has been reported by the Deputy Commissioner in his letter to the Wuzrai Commissioner dated 27th/31st ^{Jan'y} ~~December~~ 1925, that an election was held on 2nd January 1925, in accordance with the Wuzrai Commissioner's order for the election of Dharmadarsis, that none of the members of the appellant's party - which ^{formed} a small minority - was present at the election, and that the other party, which was largely attended, elected the respondent, Syed Mohiyuddin Badsha Khadri, as permanent manager of the Darga and its dependencies. The Deputy Commissioner has further reported that, the Darga with the lands attached thereto, being a private institution, it is very desirable that its management should be left in the hands of one of the ^{Saint's} ~~same~~ family, that the appointment of a Committee to assist the manager is likely to result in ^{etc.} ~~etc.~~ and that, as Syed Mohi-ud-din Badsha Khadri had been elected with the [^] ~~unanimous~~ consent of all male descendants of the original Saint with the exception of the appellant Syed Peer Gayab Sha Khadri and his

followers and as he is the only competent person, *able* to look after the Darga and the lands attached thereto, he may be appointed as permanent sole manager thereof.

Government are inclined to agree with the opinion of the Deputy Commissioner that it is not desirable or practicable in the circumstances of the case to entrust the management of the Darga to a Committee of Khamedarnia, as the functions of such a Committee are generally those of supervision and advice and it cannot be made responsible for the actual management of the institution and the properties.

The management of the institution had *so far back as* 1906 been ordered to be taken over under Government management, on account of dissensions among the Wakdars and their ^{*and*} management of the affairs of the institution. The effect of this order is that, while it is open to the local officers to appoint such agency and make such arrangements as they consider desirable for ^{*seeing*} ~~seeing~~ that the several services in the institution are regularly conducted and that the lands and other properties belonging to the institution are leased out and otherwise disposed of, in the best interest of the institution, they cannot ^{*discharge*} ~~divest~~ themselves of the responsibility for the management of the institution by making it over to one or other of the contending parties. As it is reported by the Deputy Commissioner that the counter petitioner Syed Mohideen Badsha Khadri is the person most competent among the villagers to attend to the duties mentioned above, Government approve of ^{*the*} ~~his~~ recommendation to entrust him with ^{*these*} ~~his~~ duties, on the understanding that, so long as the institution and its endowment are under the management of Government, he should be treated not as Manager by right but merely as the Agent of the local Muzrai Officer, Amildar, to supervise the regular conduct of the prescribed services in the institution and disposal of the lands by lease or otherwise to the best advantage of the institution. ^{*He*} ~~He~~ will have no power to lease out or otherwise dispose of the lands ~~and~~ ^{*or*} other properties of the Darga without the sanction of the local Muzrai Officer and he should maintain and submit a monthly statement of

receipts and disbursements to the Auditor for being sent up to the Deputy Commissioner with his remarks.

The Deputy Commissioner should issue suitable instructions to the Auditor to ensure that the above directions are strictly enforced.

In the circumstances explained above, the applicant's claim to be appointed as Manager of the institution cannot be recognised and his appeal is dismissed.
